Experience

Denverite

April 2016 to February 2018

Online-only news startup

Business and Data Reporter

- Reported on commercial real estate projects, companies moving to the Denver metro area and changes in the craft beer and legal marijuana markets
- Joined the company prior to launch, shaped the scope of our business coverage and assisted in the launch of a membership model

The Fort Collins Coloradoan

May 2014 to April 2016

USA TODAY Network newspaper

Growth and Data Reporter

- Covered trend stories about northern Colorado's rapidly growing population, startup scene and development
- Promoted after covering breaking news, oil and gas and regional trends in Weld County, Colorado

The Denver Post

January to August 2013

Digital First Media newspaper in the Denver metropolitan area

Paid City Desk Intern

- Worked with the city and business desks as a general assignment reporter covering breaking news, events and human interest stories
 - Advanced from a part-time to full-time intern after five months
-
