Experience

Bankrate

June 2018 to Present

Nationally recognized personal finance news site

Data journalist

- Use a mix of public and private data to create data-driven articles that are covered by CNBC, NBC and other major news outlets. Past coverage includes a look at valuable college majors, how people are feeling about their finances and the pressure to overspend during the holidays

Denverite

April 2016 to February 2018

Online-only, local news startup

Business and Data Reporter

- Reported on commercial real estate projects, companies moving to the Denver metro area and changes in the craft beer and legal marijuana markets
- Joined the company prior to launch, shaped the scope of our business coverage and assisted in the launch of a membership model

The Fort Collins Coloradoan

May 2014 to April 2016

USA TODAY Network newspaper

Growth and Data Reporter

- Covered trend stories about northern Colorado's rapidly growing population, startup scene and development
 - Promoted after covering breaking news, oil and gas and regional trends in Weld County, Colorado
-

Education

SABEW Goldschmidt Fellowship

February 2019

- A five-day immersion workshop on how government agencies use and produce data

ProPublica Data Institute

June 2016

- An 11-day intensive workshop on how to use data, design and code for journalism

University of Colorado Boulder

2010 to 2014

- Bachelor of Science – Journalism
 - Bachelor of Arts – Psychology
 - Cross Campus Entrepreneurship Certificate for Non-Business Students
-

Organizations

- The Society of Professional Journalists
- Denver Press Club
- SABEW
- Chips Quinn Scholars
- Investigative Reporters and Editors
